Thanks Annie. With respect to the [REDACTED] case that's on for Tuesday, it's a school zone case that's very likely to go. I think you and Della said you could be on call that day (or possibly the following day, 3/30). Could you let me know how we should reach you on those days if the trial proceeds?

Also, Craig Estes (whom I've copied here) will actually be trying the case, so I'm including him on this correspondence as well.

Thanks again,
Dennis
